Feel the difference and treat your skin to a total rejuvenating treatment that will leave you with visibly firmer, younger skin immediately.

Instantly beautiful rejuvenated skin can be yours with **Crystal Clear Microdermabrasion**. A string of celebrity and model fans have declared Crystal Clear their 'favourite treatment' reinforcing Crystal Clear's position as **THE Microdermabrasion brand to use**.

Crystal Clear Microdermabrasion treatment allows you to treat lines and wrinkles, dull dehydrated skin as well as being an amazing breakthrough treatment for acne scarring and sun damaged skin.

By gently exfoliating the outer layers of skin the treatment can be used to solve a wide range of skin concerns on both the face and body.

You'll see the difference after just one treatment, however for more problematic skin a course of treatments may be required.
