OXYGEN THERAPY

COLIN FIRTH & KATE MOSS ARE COMMITTED FANS OF CRYSTAL CLEAR OXYGEN THERAPY

IMMEDIATE INCREDIBLE RESULTS

Discover why Crystal Clear's Oxygen Therapy is the celebrity secret for younger looking, rejuvenated skin!

As we age oxygen levels in the skin cells decrease, resulting in a loss of elasticity and the formation of lines and wrinkles. Oxygen Therapy replenishes lost oxygen. Our secret weapon - Oxygen Serum is packed with active ingredients that restructure the skin from the inside out, visibly plumping lines and wrinkles while firming the skin around the eyes, face and neck.

- Rejuvenates the skin from the inside out
- Plumps out lines and wrinkles
- Instantly lifts and firms lax skin
- Perfect for ageing on the neck and decollate.

The results are instant but for more intensive a course of 5 treatments is often recommended to achieve maximum effect.

Your therapist will devise a tailor-made treatment plan and prescribe the correct skincare products to be used at home that will address your needs and further enhance the results of your treatment.
